

A topographic map showing a region with various colored overlays. A blue line represents a river, labeled '大谷川' (Ootani River) in red text with a red arrow pointing to it. A pink line follows a path through the area. A black and white dashed line, likely a railway, runs diagonally from the top right towards the bottom center. A red outline highlights a specific area, with a green callout box containing the text '追加された範囲' (Added range). The map also features contour lines, buildings, and other geographical features. Two main locations are labeled in black text: '大洗町' (Oshima Town) in a white box and '涸沼駅' (Kunuma Station).

大洗町

追加された範囲

涸沼駅
